Technical Services for Aerospace Systems Modeling and Simulation II (SimLabs II)

Questions and Answers

January 12, 2010

Q1. Draft SOW for the Simlabs II Solicitation calls for the contractor to provide Pseudo Pilots and Controllers for flight operations support under paragraphs 3.1.3.3 and 3.1.3.7. Can you please provide any information regarding the intent of having those functions included in the referenced solicitation?

A1. It is anticipated the requirement for Pseudo Pilots and Controllers for flight operations support under paragraphs 3.1.3.3 and 3.1.3.7 will be deleted. Please see Final SOW.

Q2. NAICS 541330 with a size standards of \$4.5M has been chosen for this acquisition. Will NASA consider the "Military and Aerospace Equipment and Military Weapons exception" with a size standard of \$27M?

A2. The focus of this acquisition is on operations, development, maintenance, and modification of the Simulation Laboratory Facilities, therefore, the "Military and Aerospace Equipment and Military Weapons" exception will not be used.
